

# BELONG AOTEAROA ANNUAL REPORT

2020 - 2021  
SUMMARY

## VISION:

An inclusive, connected New Zealand where newcomer communities are able to enjoy and contribute towards our collective wellbeing and prosperity.

## HOW WE DRIVE CHANGE

### COLLABORATION

Together we're able to tap into the strength, creativity, and a passion in our community and with other key stakeholders; working together towards a vision of Aotearoa where we all belong.

### AMPLIFYING VOICES

Ensuring our work provides opportunity and encourages the voices of those with lived experiences. Utilising the power of storytelling to shift hearts and minds.

### ADVOCATING FOR CHANGE

Sharing learnings, taking action and encouraging others to take actions that challenges the status quo, shift power and draws out shared values of equality, creativity, and social justice to drive change.

## EMPLOYMENT • SOCIAL INCLUSION • WELLBEING • INCLUSION

### SNAPSHOT OF WORK

#### SOCIAL WORK REPORT

Collaborative research showing the bespoke needs of former refugee and marginalised migrant communities in New Zealand to help inform practice, advise policy and support resourcing.

#### #PASSTHEMIC

A community-led media campaign, cross-cultural understanding training and media hui promoting inclusion and leadership.

#### TŪMANAKO SUMMIT

Changemakers from around Aotearoa, from government, community, non-profits, and service providers gathered who want to improve the settlement journeys for resettled communities.

#### BELONGING THROUGH EMPLOYMENT

A subsidised internship programme that matched the unique skills, talents, and experiences of partners of skilled migrants to businesses that built cross-cultural understanding and supported ongoing employment.
